RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action dated 28 October 2004, Applicants, through their attorney, elect Group I consisting of claims 1-9, with traverse. The elected claims read on a wafer container system. Group II reads on a pair of wafer containers and a stack of wafer containers, which may be substantially similar to the wafer container system of Group I. Group III reads on a method of stacking wafer carriers, which may be substantially similar to the wafer container system of Group I. Because the subject matter of Groups I, II, and III is substantially similar, the restriction requirement is traversed because examining the claims reading thereon would not be an undue burden to the Examiner.

The present amendment comprises the following sections:

- A. Amendments to the Claims
- B. Remarks
